XII *Mon.* February hath xxix days.

Our youthful Preacher see, intent on Fame;
Warm to gain Souls? — No, 'tis to gain a Name.
Behold his Hands display'd, his Body rais'd;
With what a Zeal he labours — to be prais'd.
Touch'd with each Weakness which he does arraign,
With Vanity he talks against the Vain;
With Ostentation does to Meekness guide;
Proud of his Periods form'd to strike at Pride.

Without Repentance none to Heav'n can go,
Yet what Repentance is few seem to know:
'Tis not to cry out *Mercy*, or to sit
And droop, or to confess that thou hast fail'd;
'Tis to bewail the Sins thou didst commit,
And not commit those Sins thou hast bewail'd.
He that *bewails*, and not *forsakes* them too,
Confesses rather what he *means to do*.
